Melbourne City Model Portfolio

spring'
FINANCIAL GROUP

Spring FG Realty Pty Ltd has partnered with DomaCom to offer multi-property residential portfolios through the DomaCom Fund.

The portfolios take advantage of DomaCom's new multi-property bookbuild functionality, offering a direct property solution with immediate diversification across multiple properties, developers and locations.

The multi-property portfolios prepared by Spring FG Realty are based on:

MINIMUM OF \$10,000	GIVES THE INVESTOR EXPOSURE TO UP TO FIVE (5) PROPERTIES IN DIFFERENT GEOGRAPHIC LOCATIONS.
MINIMUM OF \$25,000	GIVES THE INVESTOR EXPOSURE TO UP TO TEN (10) PROPERTIES IN DIFFERENT GEOGRAPHIC LOCATIONS.
MINIMUM OF \$100,000 OR MORE INVESTMENT AMOUNT	GIVES THE INVESTOR EXPOSURE TO UP TO 15 PROPERTIES IN DIFFERENT GEOGRAPHIC LOCATIONS.

Each of the developers, developments and individual properties in the assembled portfolios has passed Spring FG Realty's stringent due diligence processes to facilitate not only inclusion in the DomaCom platform, but investment by Spring Financial Group's direct investing clients.

In accordance with the DomaCom Fund's processes, all properties will be independently valued by a leading valuation house. All properties include window furnishings, depreciation schedules, third-party quality inspections on settlement and first tenant and/or rental guarantee periods of a minimum of 42 days and up to 90 days providing investors further peace-of-mind.

The Spring FG residential portfolio models are:

BPM

The included portfolio properties at Black Fold, Night Fall, Shadow Play and The Standard are being developed by BPM Corporation. BPM was founded by Jonathan Hallinan in 1996. BPM established itself early on as a high-end house and land developer in the most upmarket suburbs of Melbourne forging itself as a brand-name in designer living.

In more recent years BPM is one of the most respected developers in Australia and has broadened its horizons by delivering fantastic residential apartment developments in Melbourne including the: Willim Apartments in Carnegie; Elske Apartments in Caulfield; Walter in Carnegie; Collins & Queen in Essendon; Church Street Hill in Brighton; and Graphite in North Fitzroy. In Brisbane BPM has focused on core CBD fringe suburbs and is quickly emerging as a specialist in this market with the delivery of the Escent and the Onyx developments in West End.

Their experience, design and delivery quality give us no hesitation in including them in our portfolios.

Blue Earth Group

The included portfolio properties at Gravity Towers are being developed by the Blue Earth Group - one of the largest and most successful private developers in the country. Since the inception of Blue Earth Group more than 20-years ago in 1993, the principals of Blue Earth Group, Omran & Michael Dib have built up an outstanding, record of success as specialists in the development of residential real estate in and around Melbourne.

Today, Blue Earth Group features a compilation of a growing 2,000 apartment \$1 + billion portfolio. Recent significant projects by Blue Earth Group that are either completed or under construction include: Amne Apartments in Essendon (completed); Mayada Apartments in Camberwell (completed); Erantis Apartments in Essendon (completed); Imex Apartments in Essendon (completed); G1 in Sandringham (completed); Art @ Essendon in Essendon (completed); C100 in Carlton (completed); Mink Apartments in Essendon (completed); Geox Apartments in Brunswick (completed); Stratus Apartments in Brunswick (completed); Joulia Apartments in Brunswick (completed); The Islington Silos in Collingwood (completed); A Apartments in Richmond (under construction); Lantern in Collingwood (under construction); Play House Apartments in Abbotsford (under construction); and United in Richmond (under construction).
